Brand: Apple

900 HUF

Netto price: 709 HUF

Description

Compact yet powerful

The Apple Mac Mini M2 delivers impressive performance in a small form factor. With its 8-core CPU and 10-core GPU, the M2 chip provides excellent processing and graphics capabilities, making it ideal for video editing, software development, and gaming.

Efficient multitasking

With 8 GB of unified memory, the Mac Mini M2 ensures seamless multitasking across demanding applications, boosting productivity for creative and professional tasks.

Fast storage

The 256 GB SSD offers fast access and load times, ensuring responsive performance when launching applications, transferring files, or booting up the system.

Versatile connectivity

With Thunderbolt 4, USB 4, and HDMI ports, the Mac Mini M2 easily connects to external displays and peripherals, making it versatile for various setups.
