Description

The Apple MagSafe Charger in black (MHXH3ZM/A) features an elegant and stylish design. Using magnetic technology, the charger effortlessly aligns to the correct position on iPhone 12 and newer models, ensuring fast and efficient wireless charging. It delivers up to 15W fast charging for MagSafe-compatible devices while also working with other Qi-compatible devices, such as the AirPods Wireless Charging Case. Backed by Apple's renowned quality assurance, the black MagSafe model offers a premium solution for everyday use.
