Description

The **CANON EOS R10** is a compact, lightweight, and versatile mirrorless camera, an excellent choice for all photographers. Thanks to its **24.2-megapixel** APS-C CMOS sensor and DIGIC X image processor, it captures clear, sharp images even in low-light conditions. Its **intelligent autofocus system** tracks moving subjects—whether people, animals, or vehicles—ensuring consistently sharp results.

The camera also supports **4K UHD** video recording at up to 60 frames per second and offers **HDR PQ** support for high dynamic range video capture. With **eye and face detection** features, the camera ensures subjects are recorded in the best possible quality.

The included **RF-S 18-150mm** lens provides a wide zoom range, allowing you to capture stunning landscapes and detailed portraits. Its **optical image stabilizer** minimizes hand-shake effects, ensuring all your shots remain crisp and clear.

The camera features a **3-inch fully articulating touchscreen**, making it easy to shoot from creative angles. Built-in Wi-Fi and Bluetooth enable seamless sharing of photos and videos or remote control of the camera using your smartphone.
