Description

Compact and Space-Saving Design

The HP Pro SFF 400 G9, designed with a small footprint, is perfect for office spaces where space is at a premium. Its compact design allows it to fit seamlessly into tight workspaces without sacrificing performance, making it a practical solution for businesses that value both power and efficiency.

Security and Connectivity

Equipped with advanced security features, including HP Wolf Security, this desktop helps protect your data and system from cyber threats. Additionally, it offers a wide range of connectivity options, including multiple USB ports, DisplayPort, and Ethernet, ensuring easy connections to peripherals and networks for increased productivity.

Sustainable and Durable

HP focuses on sustainability with the Pro SFF 400 G9, using energy-efficient components and environmentally conscious materials. Its durable build ensures long-term use, making it a reliable investment for businesses looking for both performance and eco-friendly solutions.
