Description

The Huawei P30 Pro is one of the standout models in the Huawei P series, drawing attention for its innovative camera system. The 40 MP main camera, 20 MP ultra-wide lens, 8 MP periscope telephoto lens, and Time of Flight (ToF) sensor enable the capture of incredibly detailed and realistic photos. With the 50x digital zoom, even distant objects can be captured in crystal-clear detail.

The device features a 6.47-inch OLED display with Full HD+ resolution, offering vibrant colors and excellent brightness. The in-display fingerprint reader and the curved design give the device an elegant appearance.

The Huawei P30 Pro uses the Kirin 980 processor, which was Huawei's most powerful chip at the time. The device supports 4G LTE networks, so while it lacks 5G support, it still offers fast and stable connections in terms of speed and performance.

The 4200 mAh battery, combined with 40W fast charging and 15W wireless charging, makes the phone convenient to use for extended hours. The device has an IP68 rating for water and dust resistance, making it more durable against environmental factors during everyday use.
