Description

The **JBL AUTH500BLKEP Authentics 500** is not only stylish but also performance-driven. Its compact 4.4 kg design ensures easy portability, whether you're using it at home, at outdoor events, or during travels. With 30W RMS output, the speaker delivers rich and clear sound, allowing you to enjoy your favorite music in top-notch quality.

Equipped with Bluetooth technology, the JBL AUTH500BLKEP provides quick and effortless connectivity with smartphones, tablets, and other Bluetooth-compatible devices. Its built-in battery offers up to 20 hours of playtime, ensuring long-lasting music enjoyment. The speaker's sleek and modern design allows it to blend seamlessly into any setting. Additionally, the JBL Authentics 500 features voice assistant support, enabling hands-free music control or call management with ease.
