## 510 HUF

**Netto price:** 402 HUF

### Description

#### Storage and Speed

With a 512 GB SSD, the laptop offers fast system boot times, quick file access, and seamless application performance. The ample storage capacity is perfect for saving documents, media, and applications while maintaining system responsiveness.

#### Display and Design

The IdeaPad Slim 3, featuring a 15.6-inch Full HD display, provides sharp and vibrant visuals, ideal for both work and entertainment. Its slim and lightweight design enhances portability, making it easy to carry on the go.

#### Battery and Connectivity

The long-lasting battery ensures hours of work or streaming without the need for frequent recharging. Connectivity options such as USB ports, HDMI, and Wi-Fi enable smooth connections to devices and networks, boosting productivity and convenience.
