Description

The **LOGITECH G920 Racing Steering Wheel** is perfect for those looking to experience the intensity and realism of the racetrack from the comfort of their home. Its **Force Feedback technology** authentically simulates the car's movement and road surface, providing a lifelike feel for every turn and maneuver.

The wheel is wrapped in **premium leather**, offering a stylish appearance and comfortable grip for extended gaming sessions. The stainless steel pedals are durable and provide precise responsiveness to every input. With **900-degree** rotation, the wheel delivers perfect control, from full turns to delicate maneuvers.

The **LOGITECH G920 Racing Steering Wheel** is compatible with Xbox Series X/S, Xbox One consoles, and PC, supporting popular racing simulators such as *Forza Horizon*, *Project Cars*, and *Assetto Corsa*. Built-in console controls make menu navigation effortless, while the combination of wheel and pedals ensures a complete driving experience.

The solid mounting system ensures the wheel remains stable, even during intense use, and the pedals are optimally placed for comfort and ease of use.

The LOGITECH G920 Racing Steering Wheel is the definitive choice for gamers seeking the ultimate driving experience, whether they are hobbyists or serious simulation enthusiasts.
