Description

The Logitech MX Keys S offers an exceptional typing experience with precise, responsive keys and a soft-touch surface designed for long-lasting comfort. Its smart backlighting adjusts to the ambient light, ensuring optimal visibility in any lighting condition. It can connect to multiple devices, allowing for seamless switching between up to three devices—perfect for multitaskers. With a wireless design supporting both Bluetooth and USB connections, it offers versatile use. The rechargeable battery provides long battery life, allowing for uninterrupted work. Its modern, elegant design complements any workspace.
