Description

The Logitech MX Master 3s combines ergonomics and performance, with a design that ensures comfortable use for long hours. Its MagSpeed electromagnetic scroll wheel allows for fast and precise scrolling, ideal for navigating through large documents and websites. With an 8000 DPI sensor, the mouse tracks movements accurately on almost any surface, including glass. It supports multi-device connectivity, enabling easy switching between up to three devices. The customizable buttons enhance productivity by allowing you to tailor the mouse's functionality to your workflow. Its long-lasting battery offers up to 70 days of usage on a single charge, making it a reliable companion for both work and leisure.
