**Serial number:** EP-T1510XWEGEU

**Brand:** Samsung

**12 HUF**

**Netto price: 9 HUF**

## Description

The Samsung Network Adapter with Cable (EP-T1510XWEGEU) allows you to connect your mobile devices directly to the internet via an Ethernet cable, ensuring a stable and fast network connection. This is particularly useful in situations where the Wi-Fi signal is weak or a wired connection is required. Its compact and portable design makes it easy to carry and travel with, while the included cable provides quick and hassle-free connectivity. Compatible with the latest Samsung devices, this adapter is an ideal solution for reliable network performance.
