Description

The Samsung QE65S90CAT features a large 65-inch OLED display that offers 4K Ultra HD resolution, delivering unparalleled clarity with deep blacks and vibrant colors. Quantum HDR technology enhances the visual experience by increasing contrast and brightness, allowing the finest details to be shown in both bright and dark scenes. Whether you're watching movies, playing video games, or streaming, the TV's smooth motion handling ensures continuity, even with fast-moving content. The Smart TV features provide seamless access to popular streaming services, apps, and content, and it also includes voice control. Its sleek, modern design fits perfectly into any room, offering an aesthetic look and powerful performance. Additionally, the adaptive sound technology enhances the audio experience, making you feel like you're right in the center of the action.
