Description

The **Sony PlayStation Portal Remote Player** is a revolutionary handheld console designed specifically for enjoying your PS5 games remotely. Equipped with a large 8-inch LCD screen and the features of a DualSense controller, the PlayStation Portal brings the premium PS5 gaming experience wherever Wi-Fi access is available.

Thanks to the Remote Play feature, you don't need to be near your PS5 console to play. The PlayStation Portal essentially streams games from your PS5, allowing you to continue your adventures when the TV is occupied or when you're away from home. The built-in controls, precise motion sensing, haptic feedback, and adaptive triggers deliver a no-compromise gaming experience.

This device is the perfect choice for players who never want to miss out on their PS5 games and wish to make the most of the console's capabilities on the go or anywhere within their home.
