Description

The **SONY WF-C500G** True Wireless earbuds are designed for everyday use with their comfortable, compact build. The green color adds a touch of uniqueness, complementing any style. With **EXTRA BASS** technology, these earbuds deliver rich and dynamic sound, while digital sound processing ensures clear and detailed audio across all music genres.

Thanks to **Bluetooth 5.0** connectivity, they provide fast and stable pairing with any compatible device, ensuring uninterrupted music listening and phone calls. The built-in microphone offers excellent call quality, allowing you to communicate clearly even in noisy environments.

With a **battery life of up to 10 hours** on a single charge, these earbuds can last all day. The charging case adds an additional 10 hours of playtime, providing a total of 20 hours of use, so you can enjoy your music and calls without worrying about running out of power.

The **IPX4 water resistance** protects against sweat and rain, making them perfect for workouts and travel. Their **ergonomic** design ensures a secure and comfortable fit, even during extended wear.
