Description

The **SONY ZV-1 Vlog Camera** is the perfect choice for vloggers and content creators who want to produce high-quality videos with a portable device. It features a **1.0-type Exmor RS CMOS sensor** and **BIONZ X image processor**, ensuring stunning image quality, even in low-light conditions. Its optical zoom offers up to **2.7x magnification**, making details crystal clear.

A standout feature is the **Bokeh Switch**, which creates a blurred background with a single press, emphasizing the subject in the video. The fast **Hybrid Autofocus** ensures that faces and eyes remain sharp and in focus, even during motion.

The **three-capsule microphone** with a built-in windscreen delivers clear audio, even in windy environments. The flip-out LCD screen makes it easy to shoot selfies and check recording settings on the fly.

The **Sony ZV-1** records videos in **4K resolution**, supports **HDR technology**, and includes advanced features such as **S-Log3** and **Time-lapse mode**. The camera pairs easily with smartphones, allowing quick video sharing on social media platforms.

This vlog camera is an ideal choice for those seeking a compact and user-friendly device for creating professional content for platforms like YouTube, Instagram, or any other medium.
