Description

The **SteelSeries QcK Prism 3XL RGB** is perfect for serious gamers and professionals who need ample space for peak performance. With its impressive 1220x590 mm size and a slim 4 mm thickness, this mouse pad provides full desk coverage, offering comfortable space for both mouse and keyboard use.

The **QcK Prism 3XL** features two-zone customizable **RGB lighting**, powered by the **SteelSeries Engine** software. Supporting 16.8 million colors, the lighting can be tailored to match your setup perfectly. With PrismSync technology, you can synchronize the lighting with other SteelSeries devices, creating a cohesive and immersive lighting experience to enhance your gameplay.

The premium **QcK textile surface** ensures precise and smooth mouse movements, making it especially beneficial for games that demand quick reflexes and accurate actions. The bottom of the mouse pad features a non-slip **rubber base** that prevents it from moving, no matter how intense your gaming sessions get.

The **extra-large size** not only accommodates your mouse but also provides space for your keyboard and other peripherals, keeping your workspace organized and cohesive. Its durability and high-quality construction ensure that the QcK Prism 3XL will be a reliable companion for gaming or work for years to come.
