Description

UFC 5, developed by EA Sports, immerses players in the world of the Ultimate Fighting Championship (UFC). The Xbox Series X version showcases MMA (Mixed Martial Arts) battles with incredible detail, thanks to the graphical capabilities of the next-generation console. The movements and strategies of real fighters are depicted realistically, while the new physics and animation systems make each encounter even more intense and lifelike. In addition to single-player and multiplayer modes, the career mode offers players the opportunity to build their own fighter and rise to the top of the UFC. The dynamic environment and variety of fighting styles ensure that every match is exciting and challenging.
