Description

Its stainless steel case and sapphire crystal glass provide a premium look, adding a touch of sophistication that makes it ideal for both everyday wear and formal occasions.

The **1.47-inch AMOLED display** delivers vibrant colors and excellent visibility, even in direct sunlight. The Watch S1 Pro **supports 117 different sports modes**, including running, swimming, and gym workouts, making it an excellent companion for all fitness goals. Its advanced health monitoring system enables continuous heart rate tracking, blood oxygen level monitoring, sleep quality analysis, and even stress level measurement.

Additionally, its battery life lasts **up to 14 days** on a single charge, making it an excellent choice for those who prefer not to charge their device daily. With magnetic wireless charging, recharging the watch is quick and effortless. The watch also **supports NFC payments** and is compatible with most Android and iOS devices, offering versatile usability.
